GUILDERLAND COMMUNITY SURVEY SUMMARY

A. SURVEY OVERVIEW

As part of the public engagement component of the Guilderland Comprehensive Plan Update, a community survey was developed. The purpose of this survey was to gather input from community members, business owners and other stakeholders about Guilderland. Survey respondent input will help inform the overall vision, goals and strategies for the Town and help shape the Comprehensive Plan update.

Community Survey Promotional Card Handout

The survey was created and distributed using Survey Monkey and was launched on March 13, 2023. The survey remained open until May 15, 2023 with 635 responses received.

The survey was advertised on the Town website, promoted during the Open House & Visioning Workshop held on March 20th, and advertised through communications from the Guilderland School District Superintendent during the survey period. Information and links to the survey were also distributed during the survey period on survey cards which included a Quick Response (QR) code so respondents could access the survey directly on their smartphone or tablet. Hard copies of the survey were also made available.

Data Limitations

The survey is one piece of multiple public engagement activities that help identify themes throughout the community. Because survey respondents are self-selecting, survey results are not a statistically valid representation for the entire population of the Town. The survey results alone cannot be used to find the "answer" or "solution" but, can help highlight values and concerns.

B. SURVEY TOPIC AREAS

The survey was divided into several topical areas to focus and sequence the questions. The survey topic areas include Demographic and Background Information, Quality of Life, and The Future. The following is a description of each survey topic area.

Demographic and Background Information

The demographic and background information provides important context on who is taking the survey. Getting a broad range of respondents from the local area is important to address the needs of different demographics. Knowing age, location, where respondents work, and where they get news can help inform how to address needs and where to broadcast information.

Quality of Life

The quality-of-life section asks respondents to indicate what they value most about Guilderland and what makes the Town unique. The information can be used to establish key features of the existing community character, in order to identify missing elements and shape future growth.

The Future

This section asks respondents questions about the future of Guilderland. Information about where residents see the community in 5, 10 or 20 years can help identify support for future projects that fit the vision of the community.
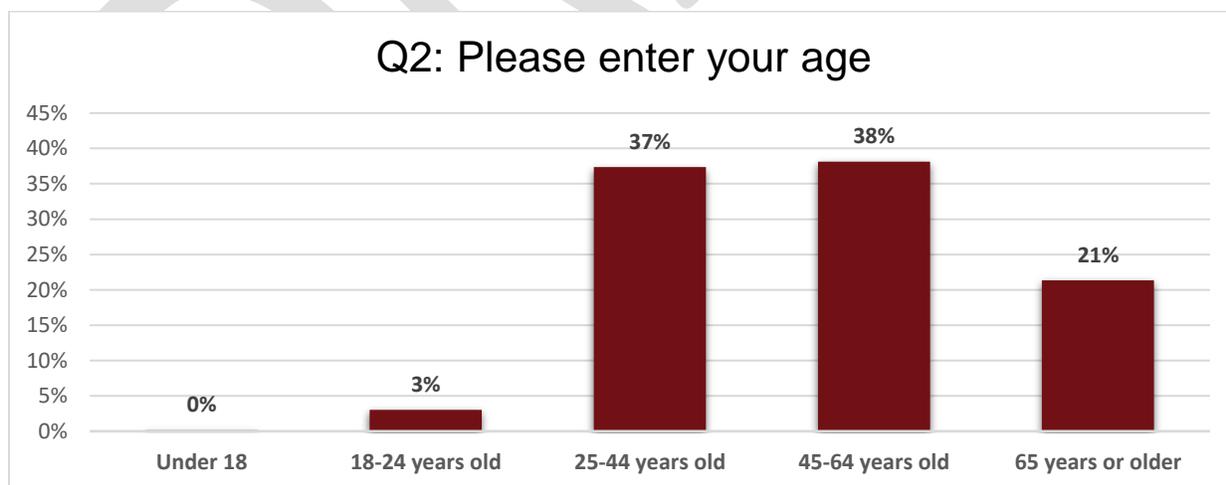

C. SURVEY HIGHLIGHTS

The following is a brief highlight of selected survey findings from each section of the survey.

Demographic Information

Question 1(Q1) of the survey asked respondents their home zip code. The greatest number of respondents lived in the 12303-zip code (109), followed by 12009 (97), 12203 (64), 12084 (44), and 12159 (30). These results demonstrate that respondents from a variety of neighborhoods and areas in the Town participated in the survey.

Question 2 (Q2) of the survey asked respondents to indicate their age. The age groups most represented among survey respondents were 25 - 44 and 45 – 64, nearly even at 37% and 38%, respectively. Twenty-one percent (21%) of respondents were in the 65 and above age group. The median age in the Town of Guilderland is 39.6, based on the 2021 American Community Survey Estimates.[1] This indicates that the age of respondents who completed the survey skewed slightly older than the estimated median age for the Town.

92	Addressing the numerous dog owners, who seem to have no respect for others in their neighborhood, who have to listen to their uncontrolled barking dogs. Having the police or dog warden address the issue does not seem to work. It is not fair that a homeowner cannot work or relax in their yard without hearing multiple dogs barking during the day, evening and sometimes middle of the night. Possibly instating a warning or two and then a fine each time afterward would be a solution. As of now, there are no consequences after the officials visit the homes stating a complaint has been made.	3/17/2023 12:18 PM

1	I hope we can attract more young families who are looking for reasonable homes in the $250k range that are nice, Clifton Park has many, we don't see nice houses in that range here. More development is needed in that range, more fun retaol and clean up of the rural decay from the 1900's on Westen. It's gotten better but more to be done. I hope to see more options here. Thank you!!	5/15/2023 10:30 PM
2	More then enough current apartments, but not affordable for many. Stop allowing infrastructure that does not contribute toward taxes.	5/15/2023 6:48 PM
3	More transparency of inner workings of town decisions, like why keep patching a road that's in bad shape than wait a yet then repave properly.	5/15/2023 9:42 AM
4	Guilderland is the suburbs of a small city. Stop pretending people are going to walk everywhere. It's a small town that has stagnant population growth. No need to keep pretending this town is something it's not.	5/15/2023 6:09 AM
5	Solar projects should be considered with appropriate SEQR review, however a decommissioning plan should be included with each proposal. We don't need to pay for disposal of "solar junk" in 30 years after the panels have served their useful lifespan.	5/14/2023 8:54 PM
6	Currently there is a lot of senior housing. The focus should be on the providing for the future and that means children. Space children can use to learn and grow. Nature preserves with trails, botanical gardens to learn about plants, places where all kids can participate in winter sports. Making it possible for all kids to experience the beauty of the outdoors in the winter. A European winter festival for kids with activities such as gingerbread making, different kinds of hot cocoa, chai, gingerbread house making, different types of music from different cultures, vendors offering different foods and holiday gifts such as ornaments and other handmade products…	5/14/2023 1:18 PM

17	School taxes need to stop being raised every single year. It is a disservice to home owners that you can't properly use one budget amount for a few years before raising them. It's Extremely frustrating that it is approved and increased every single year with no end in sight to it ever stopping. Just because you stay within what appears as a low percentage allowed	5/13/2023 7:16 AM

amount, does not mean you should keep abusing peoples hard earned income and not even attempting to stay within the budget amount from the year before.

18	Guilderland should focus on making the Middle School and High School businesses and community in this areas will encourage growth in the town overall.	5/13/2023 6:53 AM

27	Would like to see more sustainable methods of living that promote physical activity and community engagement (shared gardens for growing veggies). Would also like to see affordable housing that allows younger people to stay or join the community. And underground power lines would be amazing!	5/12/2023 7:29 PM

33	Guilderland is expanding too much too fast. The town shouldn't approve so many apartment complexes. The town should slow its growth and focus instead on rural, farmland, sidewalks and preserving what we have	5/12/2023 6:07 PM

37	We might need business and some industry as well	5/12/2023 5:55 PM

The Town will never be able to get back undisturbed land once it's developed. That's an irreparable mistake that future generations will have to live with.	4/13/2023 4:25 PM
82	I'm in favor of bringing Costco to town. Confident that town will design roads to access as did with Crossgates.	4/13/2023 4:21 PM
83	I think you should look at banning fire pits for houses on less than an acre of land...my neighborhood smells like a campground and the smoke comes in my house so I have to close windows...air quality is important.	4/13/2023 3:46 PM

Have things available for kids to do - accessible basketball court, ice skating rink. I love my neighborhood but because the town is so visually unappealing with no real town center I will be moving in 5-10 years. town senior housing	4/10/2023 5:23 PM

112	Build a water sprinkle play at the pool for kids. Anything to be build should also take into consideration sustainability and also style (build for the future, see Europe, Canada, etc) Develop neighborhood that have playgrounds and tennis/soccer play courts, and nice/clean/beautiful grocery and ice cream places(see Canada).).	4/8/2023 8:55 AM

115	Love the pine bush trails available	4/6/2023 3:48 PM
116	I think the most important thing for our town is for people to feel connected to it so they're more invested in its well being. Neighborhood communities do that and shared neighborhood spaces foster community (parks, playgrounds, gardens, walking trails). History is tough to get a lot of people interested in but if you can it's a great way to connect them to the town. Local businesses that people are excited about connect them to place and give a place for community to develop (cafes, bakeries, diners, and pubs/taprooms are great for this). Green spaces, especially "wild" spaces connect young people to their geography which makes them less likely to leave, and more likely to come back if they do.	4/6/2023 2:57 PM
117	Don't allow an elderly, white, faux progressive group decide our future	4/5/2023 8:37 PM
118	Guilderland is a beautiful town situated well to become a strong center of growth and commercial development, while having lower density areas that highlight the natural assets of the town. I would love to see a community with a balance of amenities, housing options, and employments opportunities that really help the town grow.	4/4/2023 10:22 PM
119	build Costco; no more delays	4/4/2023 10:00 PM
120	old, white, bigoted group should not win	4/4/2023 9:55 PM
121	We need a building moratorium in place now and until the comprehensive plan is complete and in place including restrictions on development as deemed necessary by town residents.	4/4/2023 11:29 AM
122	Continue to offer and support services for aging in place.	4/4/2023 11:21 AM
123	Pay attention to water issues,lack of water is going to be a problem with uncontrolled growth. Traffic is a real problem and developers should not be allowed to just say a new development will not affect traffic. Access to the high school and middle school is already a problem you cannot just keep adding apartments and houses without addressing traffic concerns. Follow through on studies like effects on water, traffic,wildlife before anyone can cut down trees and disturb an area. No more tax breaks for businesses moving into our town for example Costco	4/3/2023 12:30 PM

139	The leaders of Guilderland have done a fantastic job of providing expanded recreational and cultural programs in our town, which provides spaces for our children to grow and play and residents to take advantage of the community we live in. Keep up the good work!!	4/1/2023 11:14 AM
140	Control your spending like you were a private entity.	3/31/2023 4:42 AM
141	Guilderland simply needs to realize that it is a composite of unrelated areas sandwiched between Exits 24 and 25 and the Helderbergs and the Capital of NY State. It shouldn't pave over its rural areas when there are so many decrepit old developments begging to be repurposed. There should be continued commercial development in the areas that are already heavily commercial (while looking out for our unique Pine Bush). Guilderlands huge competitive advantage is its easy access to the Entire Capital District with all it has to offer, the North Country and all it has to offer and the Catskills and Mohawk Valleys with all they have to offer. Guilderland is a great place to be in the middle of it all.	3/30/2023 8:37 PM

144	Just want to reiterate…. I've lived in Guilderland 33 years and it's always bothered that I have a Schenectady address (not even the same county). If we can't be Guilderland 12084, why can't we be Guilderland 12303? Many places have a zip code with two town names. Residents who have zip code 12309 can use Niskayuna or Schenectady. There are many more in the Capital District.	3/30/2023 5:26 PM

166	Figure out how to manage what is here. There is plenty of ugly commercial and industrial development already. Develop community centers and parks. There is only one park. Slow down on the apartment complexes. They are killing traffic flow. Has Guilderland ever had a parade? A festival? Where would you do it? Crossgates Mall?	3/27/2023 9:07 AM
167	Stop building sidewalks then not clearing them in winter because the people just walk in the road and it's super dangerous on Western Ave. instead of patching roads all the time , even when it's too cold to harden properly just wait save the money then pave the roads properly. Thank you.	3/27/2023 6:12 AM

209	More concerts/shows	3/25/2023 3:21 PM
210	Split the dog park into sections based on dog size like colonie does	3/25/2023 3:03 PM
211	Overall the town is doing well. But we need more commercial growth to sustain the tax base while not putting additional strain on our school system.	3/25/2023 2:52 PM
212	Guilderland needs to be affordable while also preserving its nature side. Guilderland should put effort into providing low cost living while also providing work with minimal education requirements.	3/25/2023 2:50 PM
213	Fire Peter Barber	3/25/2023 2:50 PM
214	Elected officials really need to listen to the residents issues and act on them	3/25/2023 2:46 PM
215	Community gardens	3/25/2023 2:40 PM
216	More single family rentals that are affordable	3/25/2023 2:38 PM
217	The light at 155 and Western sucks	3/25/2023 2:38 PM
218	Create a 2A friendly environment with a range.	3/25/2023 2:38 PM
219	Stop giving in to the Pyramid Corporation. Crossgates Mall is the worst thing to ever happen to this town. Tax them to the roof and stop giving in to their tax reductions.	3/25/2023 2:38 PM
220	Traffic is a nightmare and is getting worse by the day	3/25/2023 2:35 PM
221	Would like to see Crossgates under control to much violence there/crimes.	3/25/2023 2:11 PM
222	Better road maintenance is needed	3/25/2023 1:34 PM
223	N/A	3/25/2023 1:30 PM
224	Apprive of Costco and help out the fairgrounds and make it even better	3/25/2023 1:25 PM
225	School/property taxes need to stop increasing in single family homes. Make it easier for small business owners to hire staff, small practices are overwhelmed	3/25/2023 1:14 PM
226	Na	3/25/2023 1:14 PM
227	Speeding	3/25/2023 1:13 PM
228	Get rid of the corrupt paid people in the town government	3/25/2023 1:07 PM
229	Build the Costco	3/25/2023 12:50 PM
230	It is time to atart treating ALL residents the same….no partisan committee chairs, appointments, etc. why do you share water with other towns, and not withAltamont which is IN Guilderland?	3/25/2023 8:15 AM
231	The bike lanes on Western Avenue start and end abruptly, making them unsafe. Bike lanes separate from the road should be added or alternative routes.	3/24/2023 6:39 PM
232	Community gardens; work with the DOT to enhance the safety of bike lanes; introduce a trolly car ride to bring to points of interest (farm stands/library)	3/24/2023 6:36 PM
233	Thanks for the opportunity to share my thoughts	3/24/2023 4:31 PM
234	expand opportunities to attract young families/professionals. Condos/apartments are essential and affordable options are key to the economic growth of guilderland today and the future.	3/24/2023 9:19 AM
235	It is important to balance growing & expanding commercial/residential development and preserving agricultural/open space areas. Lots of comments at the open house workshop focused on preserving "country" feel of Town, but that shouldn't necessarily stop development of areas already zoned or built out for commercial use - there are many derelict / underutilized buildings along Route 20 (especially west of Route 155) and in the area of the Town.	3/24/2023 9:07 AM
236	If there has to be more residential building, I would much prefer the existing trees and environment be taken into consideration. Clearcutting a huge area then stacking houses in a row is a waste of natural resources, not to mention UGLY	3/24/2023 7:03 AM
237	Traffic needs better management	3/24/2023 6:44 AM

238	Stop the this town's insatiable appetite for growth of developments, housing, apartments, lost green space, and increasing traffic. Preserve our semi rural character. The route 146 corridor is becoming the next route 20….this can and should be stopped	3/23/2023 10:31 PM
239	Instead of elections all candidates for office should arm wrestle	3/23/2023 10:09 PM
240	Try to think town laws out for everybody. Just because a law applies to a certain aspect of a situation it needs to be look at from all angles because it may help some but hurt others.	3/23/2023 4:27 PM
241	Weatherfield feels disconnected from the rest of town and like a forgotten area. I would like to see sidewalks on wormer, especially if residential expansion is going to happen near the Albany country club. Also, connecting the neighborhood to the village of voorheesville would greatly increase the quality of life for residents who are mostly cut off from everything without the use of a car.	3/23/2023 4:25 PM
242	I like the idea of EMS and volunteer fire fighters to get a break on their taxes. They are helping the community and should be rewarded	3/23/2023 2:21 PM
243	reducing traffic on rt 20 and 155	3/23/2023 1:24 PM
244	Why are most opponents to growth over 70 years old, white, and privileged	3/23/2023 7:07 AM
245	Updated infrastructure needs to take place...look at all the water main breaks and power outages. All these new complexes have gone up straining an antiquated system. The town wants to charge into the 21st century on 1900 pipes	3/23/2023 6:13 AM
246	I grew up here on Meadowdale Road. I want the "country" atmosphere to continue as is.	3/23/2023 5:07 AM
247	We moved here 23 years ago in part because of the suburban and rural character of Guilderland. However, that is changing in a negative way with the unfortunate wave of apartment building. The town is losing a vital component of its character.	3/22/2023 11:48 PM
248	I am OK with business and new housing. It can be done with care for our environment and wildlife.	3/22/2023 10:48 PM
249	Recent Apartment growth is unacceptable	3/22/2023 10:12 PM
250	More wildlife and nature preserves, not for our enjoyment but for the wildlife's sake. It keeps Guilderland beautiful and special.	3/22/2023 2:35 PM
251	build Costco	3/22/2023 6:27 AM
252	stop listening to bigoted group	3/21/2023 3:50 PM
253	listen to young adults who don't want single family homes	3/21/2023 3:40 PM
254	It is heartbreaking to live here and watch the continued leveling of so many forests and green spaces for apartment buildings. This destroys the appeal and character of our community.	3/21/2023 2:04 PM
255	Please don't develop Altamont/Guilderland any more. The character is being ruined by new construction, traffic, etc. No one moves to this area to see MORE development. If we wanted that we would have moved to Clifton Park	3/21/2023 12:18 PM
256	don't let naysayers and NIMBYs decide our future	3/21/2023 9:10 AM
257	I love the new sidewalks for access to transportation. But it is*scary* to walk alongside the 60mph traffic that speeds down western Ave. There's so many neighborhoods I wonder if there's a way to map a "scenic route" so people can walk away from the major roads... I see signs in neighborhoods Delmar that map out a "bike trail" that keeps you away from the major roads but allows you to access some parks and schools etc.	3/21/2023 8:01 AM
258	Holders of conservation easements should not pay school taxes. Otherwise, there is no incentive to preserve open space. Forgot to put that on the board tonight.	3/20/2023 8:16 PM
259	Better access to the Pine Bush. Safer intersection at W Old State and Carmen.	3/20/2023 7:47 PM
260	1. A circulating rural/suburban van/small bus system. 2. Roads that pedestrians can safely cross.	3/20/2023 7:43 PM
261	Start listening to what the residents really want for their town, and stop using the misnomer "smart growth" to promote wrong growth THAT THE RESIDENTS DON'T WANT	3/20/2023 6:56 PM

262	Have town officials that make decisions listen and care for residents before developers	3/20/2023 6:56 PM
263	Stop pushing through expansion bills mid-election year	3/20/2023 6:18 PM
264	I would like to see more consideration of quality of life impacts on existing residents during review of new projects (e.g., traffic, lighting, screening, noise)	3/20/2023 6:16 PM
265	Please start listening to taxpayers and voters	3/20/2023 5:27 PM
266	Promote native plants and wildlife.	3/20/2023 5:14 PM
267	Veto school budgets and get the taxes down. No more diversity workers needed	3/20/2023 5:07 PM
268	It's a special place.	3/20/2023 4:32 PM
269	Keep Guilderland landscapes beautiful not industrial The wild life and stunning vistas make this place a home	3/20/2023 4:30 PM
270	Listen to the residence who pay the salaries of those in charge	3/20/2023 2:38 PM
271	Beautification using Aesthetic Point System, commercial buildings set back so not visible from road, cease apartment building, require rte 20 buildings to maintain historical facades stop giving tax breaks to Crossgates Mall owners, require Stuyvesant Plaza to only house small businesses, focus on small businesses, chain businesses should be off the main roads and have trees blocking their view, require Tree Replacement Plan since builders clearcut the land leaving it treeless and ugly.	3/20/2023 1:50 PM
272	affordable homes for families	3/20/2023 11:48 AM
273	One reason e live here is the quality of Town government. Keep it strong and smart.	3/20/2023 11:33 AM
274	N/A	3/20/2023 10:51 AM
275	Employ a Town zoning officer to monitor properties throughout the entire town & enforce businesses and homeowners to clean up their properties, remove unlicensed vehicles, shovel snow, mow lawns, remove trash, etc., so there is a standard and uniform code of compliance throughout the Town, not just homeowners but unused and abandoned properties as well.	3/20/2023 10:35 AM
276	Less apartments	3/20/2023 9:43 AM
277	I've lived in Guilderland off Carmen Rd for 50 years. Rather than building more apartments, which I feel has gotten out of control, I'd rather see the town work towards rehabilitating dilapidated/unsightly parcels such as the old Master Cleaners lot on Western Ave.	3/20/2023 9:19 AM
278	Let Guilderland have more housing options	3/20/2023 8:40 AM
279	Community based farming to expand local food production.	3/20/2023 8:34 AM
280	More community events to reestablish the sense of town and community	3/20/2023 7:00 AM
281	Don't we now have more than enough condos and stores for our residents? Roads and schools can't support the current level of growth. Look at western Ave at rush hours. It's going to get much worse if we keep growing at current rate and quality of life will continue to degrade.	3/20/2023 5:39 AM
282	Get someone who knows how to run Seniors programs.We are a disgrace!	3/20/2023 3:05 AM
283	None	3/20/2023 12:32 AM
284	bring in a large scale national developer w/experience to overhaul Western Avenue	3/19/2023 11:32 PM
285	PLEASE NO MORE BIG BOX STORES! THEY UNDERMINE THE COMMUNITY! People are DETERRED from moving here because of them, and they are NOT good corporate partners to those of us living here. PLEASE	3/19/2023 9:59 PM
286	It's time for this Town Administration to follow the Open Meetings Law, to make more timely notification of meetings and minutes of meetings and stop violating the Open Meetings rules.	3/19/2023 9:37 PM
287	I'm 83 years old. It's time for the next generation to avoid my generation's mistakes.	3/19/2023 6:29 PM
288	The above expresses my ideas.	3/19/2023 6:21 PM
289	Focus on sustainability and avoid wasting water on lawns	3/19/2023 5:45 PM

290	Fearful of school being full. Also too much growth of apartments and traffic	3/19/2023 4:55 PM
291	Please let younger generation have a voice. Sick and tired of white, rich, retired group opposing growth and diversity	3/19/2023 4:23 PM
292	We need to consider more NORC - naturally occurring residential communities - so that seniors can age in place in their own homes. Increase public transportation to these neighborhoods rather than isolating them in 'senior' communities.	3/19/2023 4:09 PM
293	Stop developers. Town is already over developed	3/19/2023 4:06 PM
294	Guilderland is headed for disaster with the unchecked growth being allowed	3/19/2023 4:03 PM
295	Need a moratorium on growth until comp plan is completed	3/19/2023 3:59 PM
296	Listen to the people	3/19/2023 3:45 PM
297	Please stop making so many apartments.	3/19/2023 3:33 PM
298	Local, reasonably-priced transportation for low-income people	3/18/2023 4:53 PM
299	No more delays in approving Costco. It would have helped with the pandemic.	3/18/2023 1:28 PM
300	I happy with the way the Town is running things	3/18/2023 1:21 PM
301	I like the Town's support for alternative housing for disabled people.	3/18/2023 12:53 PM
302	We love the parks and open space	3/18/2023 12:44 PM
303	Keep up the good work.	3/18/2023 11:08 AM
304	We have something special here. Don't let anti-development group get its way	3/18/2023 11:02 AM
305	Stop listening to NIMBY complaints. They're opposed to diversity.	3/18/2023 10:32 AM
306	Don't let NIMBY win	3/18/2023 9:18 AM
307	Nixle and email updates are wonderful	3/18/2023 9:10 AM
308	Thank you for the newsletters, parks, trails, and openness	3/18/2023 9:03 AM
309	Continue what you're doing. I love the regular newsletters.	3/18/2023 8:55 AM
310	Thank you for pandemic updates. We looked forward to it every day and get say enough what it meant to get through difficult times	3/18/2023 8:49 AM
311	Thank you for the daily COVID updates	3/18/2023 8:36 AM
312	Get Costco approved. Too late for the pandemic outlet.	3/18/2023 8:12 AM
313	NO DRAG QUEEN OR SATANIC EVENTS AT THE LIBRARY! (already had a collection drive for the Satanic Temple in March 2023 - unacceptable)	3/17/2023 7:53 PM
314	great place to live	3/17/2023 6:59 PM
315	bar oversized homes	3/17/2023 4:04 PM
316	bar zones for only single family homes	3/17/2023 3:24 PM
317	prohibit exclusive single family homes	3/17/2023 3:19 PM
318	We are very pleased with the addition of roundabouts for traffic flow and very pleased with the prompt attention of town pick up and snow plowing.	3/17/2023 12:18 PM
319	Please don't let us become Albany or Schenectady. Slow down all the development.	3/16/2023 8:51 PM
320	Stop over developing	3/16/2023 6:19 PM
321	Stop building appartments. Enough already.	3/16/2023 3:42 PM
322	More focus needs to be placed on recreational activities and sites that are not just hiking trails. There needs to be an expansion of neighborhood playgrounds and activities for children that don't require parents driving them.	3/16/2023 3:05 PM
323	I love living here, and am proud that my first and forever home is in Guilderland. Thanks you	3/13/2023 4:28 PM
